Camille Perrier joined JP Karsenty in 2019 as an associate attorney.

Her practice focuses on insurance and liability law, as well as personal injury law. Camille assists individuals and insurers of French and foreign nationality, particularly the British. She assists clients in the negotiation of compensation as well as before the courts.

Camille also acts in commercial law and assists French and foreign companies in litigation and pre-litigation.

She is a member of PEOPIL (Pan European Organisation of Personal Injury Lawyers) which brings together lawyers from European countries who work in the field of personal injury law.
