Formation

- Dual degree in Law and Management – Paris-Dauphine University
- Master 1 – Business Law – Paris-Dauphine University
- Master 2 – Droit européen et international des affaires – Université Paris-Dauphine

Etienne Bodéré joined JP Karsenty in February 2026, following an initial period working with a leading criminal lawyer.

He specialises in general criminal law, commercial criminal law, press law, and civil litigation.

Etienne holds of a Master's degree in European and International Business Law, and completed his entire academic career at Paris-Dauphine University.

Before joining JP Karsenty, Etienne completed numerous internships at various law firms, where he namely gained experience in managing high-stakes cases involving significant media exposure.

Etienne is involved at every stage of criminal proceedings, appearing before all criminal courts -

representing both victims and defendants -, and regularly pleads before each of them.
