Langues

- French
- English
- German

Formation

- Master in Business law – Sciences Po Paris
- Bachelor in Social and political sciences – Sciences Po Paris

Justine Caro joined the firm in September 2023 as an associate. Her practice focuses on general criminal law, white collar crime and commercial litigation.

Justine is a graduate of Sciences Po Paris law school and trained with top-ranking law firms in general and business criminal law, as well as with investigating judges from the financial division of the Court of Paris, specialising in high-stakes politico-financial cases.

She assists individuals, corporate entities and their directors at all stages of criminal proceedings before the criminal courts. Justine also assists French and foreign companies with commercial disputes. She is fluent in English.
